

Operaiton Rain Check - St Augustine FL

A special two-hour opportunity for pilots to interact with Air Traffic control and discover the many services they offer. During this two hour event you will experience ATC Tower operations, Class D operations and several simulated ATC scenarios. New VFR check in points and runway safety briefing will also be presented. Operation Rain Check is described in the Aeronautical Information Manual (AIM), Chapter 4, Section 1, Paragraph 4-1-7.

Directions: St Augustine Airport Conference Center

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.
